Pirate Ship On Even Keel

"It was the best of times. It was the worst of times." Charles Dickens thoughts can usually serve to describe any particular school year, but 1986-87 had a generous number of bests. After a summer of upheaval, Robert Madding took the reins as V.H.S.'s new principal and guided the Pirate ship into smooth water.

It was the best of times for the seniors who were to wind up a 12 year journey through education; for the juniors and sophomores, it meant were settling into a comfortable place on campus. For the freshmen, it was a combination — both exhilarating and frightening.

It was the worst of times for those who found themselves on the wrong side of "the law" as administered by the assistant principals. SAC moved into isolation across Orange Street and the Alternative School geared into new stringent requirements. Despite the restrictions of HB 72, the VHS students still found energy for sports, Briggs, band, U.I.L. competitions, fund-raisers and spirit activities. The year can be summed up in the senior motto, "Live for today, look for tomorrow but always remember yesterday."

Stars Shine at Winter Activities

Winter brought out the glitter and glitz as the Jingle Bell Ball and Pirates' Escapades gave students occasions to bring out their best.

The traditional Christmas dance was held at Beaumont's Harvest Club with the theme "A Starry, Starry Night" carried out by hundreds of twinkling Christmas lights. Highlight of the evening was the promenade of club sweethearts and beaus ending in the announcement of Darin Kirkland as Mr. Saint Nick and Colleen Wood as Miss Merry Christmas.

Pirates' Escapades brightened the January doldrums with song, dance, and beauties in a fast-paced evening in the V.H.S. auditorium. Overall talent winner was Rebecca Packard. Beauties selected were Lisa Tullos, Colleen Wood, Lori Taylor, Christi Boaz and Alisa May. The rosy glow of the evening carried the student body through the winter.

Pirate Athletes Struggle Against The Odds

With the formation of the "super schools" in District 22-5A, the Pirates athletic teams fought for a share of the glory on the playing field. Close contests were the luck of the draw as the Pirates faced foes in Aldine, Westbrook, Central, Nimitz, Houston Smiley, and 4-A State Champs West Orange Stark.

Campus Life Colorful Conglomeration

Spirit and sweethearts shared the spotlight in campus life of 1987.

Pep rallies tested the spirit of the seniors against the cries of the underclassmen. Turbulent weather forced pep rallies into the gym more than the stadium, but students made up for cramped quarters with hearing crushing cheering.

The traditional "Pie the Principal" contest resulted in face-fuls for Mr Webb and Mr Robinson who tied for the honor. Mrs. Beeson decked out in punk attire to mark the occasion. The indoor pep rallies were just as exciting with teachers taking to the floor and football players replacing cheerleaders.

Love triumphed in February as organizations sought to locate the lovers for fund raisers. The annual staff organized a Computer Dating Service, FTA sold Valentine posies and Junior Planning Committee sold candy. From fall to February, cheers and Cupid reigned side by side.

GOLDEN MEMORIES

The way we were. As Pirates' Treasure celebrates its 50th year of existence, it seems appropriate to remember the years of traditions and contrast them with today.

The Vidor Rural High School yearbook was born in 1936 and christened "The Lone Star." It was dedicated to its founder, Miss Lela Nowlin, Senior class sponsor. School colors at the time were purple and gold. In 1940 the first football team took the field. Victories were in personal achievement since no games were won. The annual's name was changed to "Pirates' Treasure" shortly after World War II. On February 12, 1946, the school burned to the ground, despite the efforts of the students who formed a bucket brigade. May 29, 1948 the district voted to become independent and Vidor Rural High School passed into history.

Today, Vidor High School students drive to school in their own cars, excel in sports and academic activities, participate in fund-raisers for worthy causes and earn their own money. The books and activities have changed in 50 years, but the spirit remains.

Valentine vs. Halloween

However, students in general failed to support the activities and more workers attended than dancers. A Lamar fraternity played for the Halloween dance and music for Valentine's Day was provided by KWIC 108. The future of dances remains in doubt.

A Sesquicentennial Moment by Temple-Eastex

The Lieutenant's Lady and the Calico Flag.

In the fall of 1835, all hope for peaceful settlement with the new Mexican government failed, and Texas called its sons to arms.

One of the first to answer was Archelaus Dodson of Harrisburg. He helped raise one of the first companies of volunteers in the new Texan army and was to serve with distinction as its lieutenant. Archelaus was married to Sarah Bradley, one of the first families of Stephen F. Austin's Old Three Hundred.

Sarah Dodson sought some way to aid her husband in the noble cause of freeing Texas. Her contribution was a home-made flag of calico cloth bearing a lone star.

This banner of humble cloth was to fly proudly as the first flag raised over San Antonio even before the Alamo and was to top the little blacksmith shop at Washington-on-the-Brazos on March 2, 1836, when the Texas Declaration of Independence was signed.

Sarah's flag was the first lone star flag created using the red, white and blue colors which now grace our state flag.

Sarah Dodson later helped her husband settle Grimes County. She died tragically at the early age of 36, and is buried in the cemetery that she and her husband gave to the county, the Old Bethel Cemetery - near Bedias. Her simple but eloquent epitaph reads:

Made Texas Flag Sept. 1835

BEAUTIFUL DREAM

What a beautiful dream I had last night! I dreamed I saw heaven! Heaven was beautiful. A safe place, where love was so wonderful...the angels so sweet! Heaven is the place where we finally get relief from our worldly pain. Everyone there was so in love with our Lord! God's love was so great, it just cannot be explained. I never knew I had feelings like this. Christ has shown me the way, the truth, the good life!

Heaven is the land of our dreams, our hopes, our desires. God is there to show us his kind, true, gentle love.

Last night, God showed me the fires of hell. He said the main purpose of this bright, hot light is like a flair on this highway of life, with a road block and a giant sign. The sign says "Detour---Turn Back"! Let Jesus show you a better route. Let God's gentle, sweet love guide you to heaven. Heaven is truly my only real home. Everywhere else is just a place to stay overnight while on my journey to be with the Lord, forever!

When I woke up I realized that the Lord has shown me through my own self evaluation, that I have been my own worst enemy and that Jesus is my best friend. And the world is going to keep on being the world; it just doesn't care!

As I analyze things, I should try to be like the kitty-cat! He is good, and he knows it. You can try to run over him, and all he will do is calculate how much time he has to sit and look at you before he has to jump! After it is all over, he is purring along like nothing happened, and waiting for dinner!

Fight the good fight! Live the good life! Remember God loves you and I love you! REMEMBER YOUR DREAMS!

MUSIC MINISTRY
FIRST BAPTIST CHURCH
350 North Main
Vidor, Texas

I am glad to say that many of the high school students in the band and choir are involved in the music ministry at the First Baptist Church of Vidor.

We have a full orchestra and our youth choir (Junior High and High School) performs in local churches, at malls and has an annual tour each summer.

We feel that music is great in itself but it is also one of the greatest tools in the world for spreading the good news of Jesus Christ. We invite you to come and be a part of us.

Congratulations to the seniors of 1987.

Sincerely,
Frank Nihart
Minister of Music
